

IMPORTANT NOTICE TO OREGON SNAP (FOOD STAMPS) PARTICIPANTS DURING THE FEDERAL GOVERNMENT SHUTDOWN

You will receive all of your February benefits early, on Friday, January 18. This is due to the federal government shutdown.

- This means you won't receive any more SNAP benefits for February 2019.
- We do not know about the timing of March benefits yet.
- If you received and have a "change report" or a recertification due in January, please complete that ASAP. These are being processed as normal.
- New applicants can still apply and receive benefits.
