

IMPORTANT NOTICE TO OREGON SNAP (FOOD STAMP) PARTICIPANTS

You will receive all of your March benefits on Friday, March 1, 2019. All SNAP households in Oregon will receive their benefits on March 1.

- This is a change from the normal schedule. Benefits are normally released the 1st-9th of the month depending on your Social Security number.
- This change is happening to prevent a long gap between February and March benefits. February SNAP benefits were issued early on January 18th due to the federal government shutdown.
