ABOUT PARTNERS FOR A HUNGER-FREE OREGON: [Partners for a Hunger-Free Oregon](#) is a small and tenacious organization that is supported in leadership by a dynamic and interactive board. Together, *we envision an Oregon where everyone is healthy and thriving, with access to affordable, nutritious and culturally appropriate food. To bring that vision into reality, we raise awareness about hunger, connect people to nutrition program and advocate for systemic changes to end hunger.*

ABOUT THE BOARD: PHFO is guided by a Board of Directors representing a broad range of experiences and skills, and a passion for promoting our vision.

At this time we're looking for new members who can provide leadership in community organizing and/or public policy, fundraising, law, and finance. We seek members who share our strong commitment to equity in decision making and who have skills and experience putting that commitment to work, particularly in pursuing racial and economic justice.
