

Criteria Matrix for Strategy Development

Criteria	Strategy (Does this strategy meet the criteria? Yes or No?)
Time to do the work.	
Resources available to make this strategy happen.	
Will result in (eligible) students accessing SNAP.	
Will increase awareness and knowledge of the program across campus community.	
Reduces stigma around SNAP access.	
Centers and involves students that disproportionately experience food insecurity.	
Decision-making authority and power to enact it (or, influence with those that have those things).
